I WILL NOT GIVE UP!

I know that I will face various challenges on this entrepreneurial journey but I will not let that deter me. I will dust myself off and try again! I believe in ME and I know I can do this.

I WILL NOT COMPARE MYSELF

It's very easy to feel the need to compare myself as an entrepreneur to others. However, I am not others. I am uniquely me and this world needs my idea, talents and business.

I AM ENOUGH

I am enough and that's all that matters. I will not let others diminish me, my value or make me feel like I am not good enough or that my brand/product is not good enough. I am MORE than enough and I won't let someone tell me otherwise.
